Shanghai is famous for its exterior architecture. But do you know of its dynamic interior architecture? Join me in a conversation with a major player in this exciting field, STUDIOS Architecture, as we explore the future of Shanghai's cityscape.

In addition to the talk, enjoy a docent-led tour or audio tour of the Shanghai exhibition and refuel in CafeAsia, which offers a special menu of Shanghai flavors.

**Dany Chan**  
Assistant Curator of  
Chinese Art
